### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2023

#### Structure, governance, and management

#### **Governing Document**

Youth Link: NI is a company limited by guarantee governed by its Memorandum and Articles of Association dated July 2015. Youth Link: NI is a registered charity with the Charity Commission for Northern Ireland.

#### **Appointment of Trustees**

Members of the Executive Council and Youth Link Honorary Officers are appointed by the relevant decision-making bodies of its member Churches and / or the Denominational Representatives. Council members are appointed for a period of three years. A retiring Trustee is eligible for reappointment.

Appointments to the Trustees by members of their respective relevant Decision-Making Bodies shall be made as follows:

- Up to six Trustees to be appointed by the Roman Catholic Church.
- Up to three Trustees to be appointed by The Presbyterian Church.
- Up to three Trustees to be appointed by The Methodist Church.
- Up to three Trustees to be appointed by Church of Ireland (Together known as the Denominational Representatives).
- Two Trustees to be appointed by the Denominational Representatives.

Members will be informed of the retirement of those Trustees who wish to retire or who are retiring by rotation and will elect Trustees to fill vacancies arising at the General Meeting.

#### Trustee induction and training

Induction and training sessions for Trustees are organised as required. As part of the induction process new Trustees are made aware of a Trustees' legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the operational and strategic plan and recent financial performance of the charity.

#### Arrangements for setting pay and remuneration of key management personnel.

The directors comprise the Board of Directors, who are the charity's Trustees, and the management team comprise the key management personnel of the charity in charge of directing and controlling, running, and operating the charity on a day-to-day basis. All directors give of their time freely and no director received remuneration during the year. Details of directors' expenses and related party transactions are disclosed in Note 14 to the accounts.

The pay of the management team is reviewed annually and normally increased in accordance with inflation. During 2015/16 the Trustees reviewed management team salaries and benchmarked against pay levels in other similar size charities run on a voluntary basis and scale points were set accordingly. Progression is dependent upon the outcome of individual annual appraisals.

#### Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2023

#### Organisation structure and how charity makes decisions.

The Executive Council, which can have up to 17 members, administers the charity. The Council meets four times per annum, normally September, December, March, and June. A Sub-Committee of the Executive Council, Finance & Personnel Sub-Committee normally meets a month prior to Executive Council meetings and reviews all matters relating to the management of finance, funding, staffing, and assets. A Director is appointed by the Trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Director has delegated authority, within terms of delegation approved by the Trustees, for operational matters including finance, employment, and direct charitable activities.

#### Relationships with related parties

The Trustees do not receive any remuneration unless it is authorised by Article 7 of the Articles of Association.

Executive Council members and staff members are asked to declare their interests in, and any gifts or hospitality received in connection with their role in Youth Link NI.

A declaration of interests form is completed by all Council members and staff for this purpose, listing the types of interest that should be declared. Interests are recorded on Youth Link's Register of Interests which is maintained by the Company Secretary.

### Risk management

The Trustees have a Risk Management Strategy which comprises:

- An annual review of the principal risks and uncertainties that the charity faces.
- The establishment of policies, systems, and procedures to mitigate those risks identified in the annual review; and
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

A Risk Register is in place and is reviewed annually. The most recent review of the Register was carried out in June 2023.

Areas of risk for the organisation were reviewed and assessed. These included risks relating to Governance & Management, Operational, Financial, People and External factors affecting the organisation.

#### **Objectives and Activities**

#### **Achievements and Performance**

Strategic Aim 1 As a partnership of churches working together, Youth Link will contribute to a more inclusive and peaceful society by enabling young people and youth practitioners to build positive, healthy, and sustainable relationships within and between communities through education, training, and empowerment programmes.

Youth Link continues to be one of the largest providers of accredited youth work training in Northern Ireland and provides a coherent training route that offers young people and adult volunteers a progressive pathway into youth work and ministry. More than 300 young people and adult volunteers received accreditation during 2022/23 and staff continued to work constructively to further develop training at youth and adult level in urban, rural and border regions. There were also over 500 young people and adults engaged in non-accredited programmes.

Youth Link continued to support Strategic Planning and Review of youth work and ministry within the Northern Catholic Dioceses affiliated to Youth Link and meetings with key stakeholders and Bishops has taken place.

#### Degree Programme:

The lifting of COVID-19 restrictions has allowed classes to take place face-to-face in 2022/23 and this has been well received by students and staff involved on the degree programme.

### Aspects to celebrate:

- The commitment, resilience and competence of the wider staff team and sessional workers to maintain the progression of students and deliver the programme to original timeframes despite unprecedented challenges due to the impact of COVID-19 pandemic.
- The degree programme in partnership with the Institute of Children, Youth and Mission/Staffordshire University came to a successful closure in August 2022 and the achievement of students and staff over the last 14 years of this degree programme are to be acknowledged and celebrated. The final graduation ceremony for Institute of Children Youth and Mission was able to take place face-to-face in Birmingham on the 18<sup>th</sup> November 2022. One student received first class Honours degrees, six received 2:1 classifications and four received 2:2 classifications. Post-graduation employment rates continue to be strong for students and several are also pursuing post-graduate studies. As of May 2023, 100% of students are in employment or Further Education.
- The Irish American Partnership has enabled students from socio-economically disadvantaged backgrounds to access Higher Education and this year several students have benefited directly.

The current partnership with Moorlands College will conclude in June 2024. This is due to the significant impact of the COVID-19 pandemic on student recruitment. Youth Link will ensure the current cohort of students successfully complete their studies and to celebrate the last 15 years of the undergraduate Degree pathway for Christian Youth Work students.

### Youth Work Training Programmes:

Youth Link NI's full suite of accredited training programmes are still in high demand. Delivery is taking place at Youth Link's Training and Resource centre, in the community and online. The OCN NI Level 1, 2 & 3 Award/Certificate in Youth Work Practice courses have proved successful, providing wide geographical spread, pathway opportunities to further training, degree programme and career opportunities. Youth Link has maintained OCNNI centre status and has had several external verification visits as part of the quality assurance process. Our team of over 30 sessional workers play

a key role in the delivery of these accredited training courses and are central to the work of Youth Link.

## Belfast City Council/PEACE IV - Forth Meadow Community Greenway Project:

The project has engaged with almost 400 young people aged 11-24 over the last year, supporting them to fulfil their potential, develop skills and confidence, gain OCN qualifications and contribute positively as active citizens in their communities.

The young people lived in communities along the Belfast City Council Forth Meadow community Greenway and they participated in youth work programmes that explored the core themes of Personal Development, Good Relations and Active Citizenship, showing great resilience, especially throughout the unexpected challenges which arose as a result of the COVID-19 pandemic, impacting their mental health and wellbeing. Staff were innovative and creative in their delivery methods while responding to the increasing needs and supported young people through these challenging times. The Forth Meadow Community Greenway project celebrated its achievements at a special event on 10<sup>th</sup> February 2023 at Crumlin Road Gaol, Belfast.

### Community Relations and Peace and Reconciliation Projects

Progress continued to be made in the development and delivery of Community Relations Equality & Diversity (CRED) initiatives through funding secured in 2022/23 through the Education Authority, The

Executive Office, Community Relations Council NI, Department of Foreign Affairs & Trade and Special European Union Programmes Body.

The Common Good Resources has been successfully developed and Curriculum resource materials are being disseminated and integration into Youth Link programmes is ongoing. The resource continues to be made available to the wider post-primary school and youth sector constituencies. There were a range of Good Relations resources developed as part of the Education Authority project with train the trainer sessions delivered, and USB resources disseminated.

Youth Link provided several seminars during Good Relations Week and was involved in the celebrations of the Irish Council of Churches Inter-church meeting and celebrations marking the centenary of the organisation. Internationally, Youth Link gave a presentation at the 'Living Peace' congress in Rome. It has also been involved more locally in several regional Together Building United Communities discussions.

The Research and Curriculum Development Officer is researching current trends and working on a project around the Practice of Integrated Reconciliation. Work is ongoing on an ASPIRE resource which is an educational resource for youth workers and young people aimed at enriching knowledge, attitudes, and skills for addressing sectarianism, dealing with the past and building a reconciled society.

Youth Work and Peace and Reconciliation work is at the core of the work of Youth Link, and it was significant that the staff and organisation were invited to many celebration events marking the anniversary of the Good Friday Agreement. There is a sense that after the success around the 25th Anniversary of the Good Friday Agreement there is still a long way to go in relation to peacebuilding and the issues impacting young people's lives. Youth Link aims to continually strive at improving young peoples' lives through positive outcomes and building relationships that enable transformation in the lives of individuals and communities.

### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2023

**Strategic Aim 2** Responsive to a changing environment Youth Link will ensure the provision of a sustainable **quality** service through **effective** and professional **leadership** & **management**.

Youth Link's skilled and experienced staff team is a valuable asset and as such human resource matters are reviewed by Trustees regularly. During the year and despite the pandemic staff continued to meet with their line managers formally for support and supervision and annual appraisals were completed. Staff and management meetings continued to be held on a regular basis with additional avenues of support put in place for staff working from home. A Register of Sessional Workers is maintained, and suitably qualified and experienced people support delivery of programmes of work across the organisation. Professional development opportunities offered to staff during the year included: payment of off-line supervision and other professional services, CMI Level 7 Award in Strategic Leadership & Management, First Aid Training, TQUK Level 3 Award in Education and Training, Advanced Diploma in Accounting, BA (Hons) Applied Theology (Youth & Community Work) and Fellowship of the Higher Education Authority.

Financial resources and management of same are discussed and reviewed by Trustees regularly. Management accounting information presented regularly includes income and expenditure reports reviewed against budgets, summary of cash held, cash flow report, review of current debtors and creditors, credit card expenditure etc. Reports are regularly brought to Trustees summarising fundraising efforts, management of secured restricted funds and reporting requirements met. The Annual Accounts for the year ending 31 March 2022 were agreed and signed by Trustees at the General Meeting on 13 September 2022 – these complied with Charities Act (NI) 2008, Companies Act 2006, Statement of Recommended Practice (FRS 102) which came into effect on 1 January 2015.

Fundable projects / programmes and possible sources of funding are identified regularly, funding secured during the year included monies from the Education Authority -Regional funded projects and

T:BUC programmes; the European Union Programme for Peace & Reconciliation, 2014-2021; Department of Foreign Affairs & Trade – Reconciliation Fund; Department for the Economy; Belfast City Council, the Community Relations Council, The Executive Office, The Irish American Partnership and The Irish Youth Foundation.

Youth Link's Training & Resource Centre continues to be maintained to a high standard and facilities are reviewed at regular intervals with adjustments being made to meet the needs of students and other stakeholders. A 'Buildings Manual' and 'Maintenance Schedules' are in place, providing information about repairs, providers, and maintenance contracts. Health & Safety remains a priority and full risk assessment has been carried out. This year there has been a lifting of the COVID-19 restrictions. However, these changes will be monitored in accordance with changing Government advice. All staff took part in defibrillator training in September 2022 after cardiac arrest of a staff member. Maintenance of ICT systems are provided by an external consultant and improvements to systems were made which allowed all staff to access the network from home. Insurance policies were reviewed during the year as required and were renewed in March 2023. The procurement policy is adhered to when purchasing goods or services and the Asset Register was formally reviewed and updated during the year.

Membership of Board of Directors and attendance by members is monitored in accordance with stipulations provided for in Memorandum & Articles of Association. Trustee meetings were held remotely, via Zoom, since June 2020 to demonstrate and ensure good governance of the charity, as permitted by the Charity Commission, and in keeping with Government advice on the management of the coronavirus pandemic. The Annual Confirmation Statement was submitted to Companies House on 30 January 2023 for the period to 30 January 2024. Trustee records held by Companies House

and The Charity Commission for Northern Ireland are updated regularly throughout the year. Annual accounts for the year ending 31 March 2022 were submitted to Companies House and Charity Commission NI. The Charity Commission NI Annual Monitoring Return for the financial period ending 31 March 2022 was submitted on 2 November 2022. A review of the Risk Register was carried out on 6 May 2022 and the Register subsequently updated and agreed at Council on 7 June 2022.

Identification of risks relating to loss of funding and inability to sustain current staffing levels led to implementation of a strategic review process by Trustees during 2021/22. The recommendations highlighted in the subsequent structural review process has now been carried out. This resulted in a new staffing structure as of 1 January 2022. A review of the 5 Year Strategic Plan commenced in May 2022 with an external consultant and the process is ongoing. The current strategic plan has been extended to March 2024 to allow this process to be completed successfully. In accordance with General Data Protection Regulations relevant materials were disposed of during the year. The 'Register of Interests' in respect of Trustees and staff was updated in November 2022. Induction and training sessions were held for three new Trustees during the year. A review of the 'Safeguarding Policy' was carried out and agreed by Council in March 2023. A review of the 'Adults at Risk of Harm & in Need of Protection Policy' was carried out and agreed by Trustees in March 2023.

Written reports outlining progress against objectives were presented by staff at Council meetings held in June and December 2022. Qualitative and quantitative reports were submitted to funders as required. Operational Plan for 2023/24 will be brought to Trustees for discussion at Council in June 2023 and will be disseminated to key stakeholders.

**Strategic Aim 3** Youth Link will raise the **profile** of the organisation as a unique model of faith based **collaborative** youth work in the churches, community, and voluntary sector.

End of project celebration of learning events were delivered via online platforms and in person following the lifting of COVID-19 restrictions for all those who completed the BA Honours Degree Programme in Youth and Community Work and Applied Theology and the Peace IV Forth Meadow Community Greenway Project with Belfast City Council.

During the year collaborative working partnerships continued to develop with local church and community-based youth groups through the provision of placements for young people and young adults engaged in accredited training at Levels 1, 2 & 3 and in the Degree Programme. Youth Link has also engaged Nationally through the Irish Council of Churches during their 100<sup>th</sup> Year Anniversary and has presented at the International 'Living Peace' Conference in Rome with the Focolare movement.

Youth Link's marketing plan and strategy continues to be reviewed and refined with the ongoing developments within the organisation and sector. There will be a review of the Social Media channels and Website engagement and a strategy developed in 2023. The Rank Foundation worker will help Youth Link to raise its profile in the wider community.

Through the Regional Voluntary Youth Organisations Forum (Network Youth), North South Educational Training Standards (NSETS) and other youth sector fora, staff continued at a time of significant change to ensure that the voice and needs of the Churches' youth sector have an influence on the development of new youth sector structures and mechanisms for the future implementation of Priorities for Youth led by the Education Authority. The Department of Education also aims to review this policy in 2023.

A significant time commitment is involved not just for the actual meetings but also pre/post consultations and discussions with other colleagues across the sector. It is of benefit to Youth Link to

have such involvement, not least for the positive profile the organisation derives and influence it can bring.

Youth Link continued to present and measure the effectiveness of its yearly programme of work drawing on an Outcome Based Accountability (OBA) Framework and will conduct a social value analysis.

#### Financial review

During the financial year ending 31 March 2023, Youth Link's incoming resources decreased by £497,464, 45%, represented by a decrease in unrestricted income of 16% and a decrease in restricted income of 57%. Expenditure during the year decreased by £368,569, 33%, represented by an increase in expenditure from unrestricted funds of £95,755, 33%, and a decrease in expenditure from restricted funds of £464,324, 56%.

During the year the following changes in income were noted:

- Member church contributions increased by 2%.
- Degree programme income decreased by 36% due to the decision to not recruit students for Year 1 in 2022/23 onto the BA (Hons) Applied Theology (Youth & Community Work) with JNC through Moorlands College. A further decision has been made by the board to discontinue the degree programme due to increasing tuition fees and recruitment struggles. The final year group of students will conclude their studies in June 2024.
- Course fees increased by 88% due to increased delivery of programmes to external organisations following the Covid-19 pandemic. Several tenders were successful for work with The Housing Executive during the year.
- Donation Income increased by 231% due to a one-off donation of £1000 made by a previous employee
- The Rental of Facilities charged to the degree programme decreased by 19% due to the fact two years group were on the degree in 22/23 rather than 3-year groups as in previous years.
- Bank Interest rates rose in the year causing an increase in bank interest received of 356%. Fixed term deposit accounts which matured during the year were reinvested at weekly rates rather than annual rates as in previous years.
- Other Income increased by 288%. This included donations made by staff towards staff leavings gifts, fees paid by staff leaving to purchase their company laptops and a refund from British Telecom for incorrect charges on our account since the move to the mobile phone system in March 2021.
- Four sources of funding which were granted in the 21/22 accounts, were not renewed for the 22/23 year.
- One new funding source was secured in 2022/23 from The Rank Foundation. A three-year contract totalling to £90,000 was secured.
- Income received from The Education Authority for three projects halved compared to 21/22 as the projects only ran from April to September 2022 when the projects concluded.

Restricted funds held at year end equate to £19,614. Last year, total restricted funds held were £44,319, an overall reduction of 56%. The restricted funds are held in respect of ongoing Community Relations and youth work programme expenses.

During the year support costs, including governance costs, decreased by 8% to £141,791. Support Costs decreased by 7% due to decreases in Telephone, Stationery, Printing and Developing Resources expenditure. There were slight increases in overheads such as heat, light & water as more staff presence has been seen in the office in 22/23. Governance Costs decreased by 15% and this was mainly attributable to a decrease in the Auditors fee as Youth Link's finance manager has taken

#### Year ended 31 March 2023

over the preparation of the annual accounts therefore reducing the audit fee. Bank charges also decreased during the year as several bank accounts were closed and fixed term deposit accounts were combined into one bank account.

#### Investment powers and policy

The Trustees, having regard to the liquidity requirements of the charity, have kept available funds in an interest-bearing deposit account and seek to achieve a rate on deposit which matches or exceeds inflation measured by the retail prices index.

#### Reserves policy and going concern.

The Executive Council has examined the charity's requirements for reserves considering the main risks to the organisation. It has established a policy whereby the unrestricted funds not designated for a particular purpose or invested in tangible assets held by the charity should be between 3 to 6 months of expenditure.

The reserves are needed to meet the working capital requirements of the charity and the Executive Council are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding.

As of 31 March 2023, the charity held total funds of £905,607. £19,614 are restricted funds, £0 are designated funds and £490,629 are funds that can only be realised by disposing of tangible fixed assets. The free unrestricted reserves of £395,364 represent six months running costs which is in the target range. The Executive Council and management continue to work to secure additional unrestricted reserves and accept that this is a difficult challenge in the current economic climate.

### Plans for future periods.

Youth Link plans to continue with its activities as outlined above in the forthcoming years, subject to satisfactory funding arrangements.

#### Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- · Select suitable accounting policies and then apply them consistently.
- · Observe the methods and principles in the applicable Charities SORP.
- Make judgments and accounting estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

#### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2023

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditor**

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

### Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 12 September 2023 and signed on behalf of the board of trustees by:

### Independent Auditor's Report to the Members of Youth Link NI

#### Year ended 31 March 2023

#### Opinion

We have audited the financial statements of Youth Link NI (the 'charity') for the year ended 31 March 2023 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended.
- · Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- · Have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out below, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In common with many other organisations of our size and nature we use our auditors to prepare and submit returns to the tax authorities and assist with the preparation of the financial statements.

#### Conclusions relating to going concern.

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Independent Auditor's Report to the Members of Youth Link NI (continued)

#### Year ended 31 March 2023

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- · The trustees' report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception.

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- The financial statements are not in agreement with the accounting records and returns; or
- · Certain disclosures of trustees' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- The trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

#### Independent Auditor's Report to the Members of Youth Link NI (continued)

#### Year ended 31 March 2023

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and business performance including the design of the remuneration policies, key drivers for directors' remuneration, bonus levels and performance targets.
- results of our enquiries of management about their own identification and assessment of the risks of irregularities.
- any matters we identified having obtained and reviewed documentation of their policies and procedures relating to:
  - identifying, evaluating, and complying with laws and regulations and whether management were aware of any instances of non-compliance.
  - detecting and responding to the risks of fraud and whether management have knowledge of any actual, suspected, or alleged fraud.
  - the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations.
- the matters discussed among the audit engagement team including significant component audit teams and relevant internal specialists, including tax and valuations specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

### **Company Limited by Guarantee**

### Independent Auditor's Report to the Members of Youth Link NI (continued)

#### Year ended 31 March 2023

We also obtained an understanding of the legal and regulatory frameworks in operation, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included ongoing compliance with the UK Companies Act and tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental for their ability to operate or to avoid a material penalty.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Company Limited by Guarantee**

#### **Notes to the Financial Statements**

#### Year ended 31 March 2023

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is Farset Enterprise Park, 638 Springfield Road, Belfast, BT12 7DY, Northern Ireland.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

Youth Link NI meets the definition of a public benefit entity under FRS 102

#### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

### **Company Limited by Guarantee**

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2023

#### 3. Accounting policies (continued)

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- legacy income is recognised when receipt is probable, and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
  contracted service. This is classified as unrestricted funds unless there is a contractual
  requirement for it to be spent on a particular purpose and returned if unspent, in which case
  it may be regarded as restricted.

#### Resources expended.

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, noncharitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
  activities that further its charitable aims for the benefit of its beneficiaries, including those
  support costs and costs relating to the governance of the charity apportioned to charitable
  activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable, and consistent basis.

### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### 3. Accounting policies (continued)

#### Tangible assets (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property

Straight line over 20 years

Fixtures and fittings Equipment

15% straight line

- 33% straight line

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### Transfers between funds

The transfer of £709 into restricted funds represents assets purchased during the current year which have no restriction over their use.

The transfer of £352 out of restricted funds represents income received during the year which was over and above the debtor recorded in the previous year's accounts due to foreign exchange rate differences. As the project concluded in December 2021, the additional income has been transferred to unrestricted funds.

A transfer of £1,363 into restricted funds was used to reclassify the brought forward balance on The Irish American Partnership funding from restricted to unrestricted as no restrictions are placed on this funding.

The remaining transfers out of unrestricted funds totalling to £9,147.68 are due to a repayment that was requested from The Education Authority across five grants from the prior year accounts. Expenditure totalling to this amount was disallowed by The Education Authority following an audit.

#### 24. Contingencies

A contingent liability exists to repay grants and funds received should certain conditions not be fulfilled by the charity. In the opinion of the Trustees, the terms of the Letters of Offer have been, or will be, complied with and no liability is expected.

Youth Link NI received further funding from the Department of Education towards the redevelopment of the property at 638 Springfield Road, Belfast. Accordingly, on the 8th of September 2010 the Department of Education registered a legal charge over these premises. In the event that Youth Link NI does not comply with the conditions of the Letter of Offer, are forced to sell the building or Youth Link NI winds up, a sum would be payable to the Department by Youth Link NI which the Department considers equitable. This charge was set up for a 22-year period and will therefore expire in 2032. In addition, the Department of Education require that no alteration, amendment or addition to the Memorandum & Articles of Association of the Company shall be made without the prior written consent of the Department and in the event of such alternation, amendment or addition being made without the Department's prior written consent, the Company shall, if so required, repay to the Department the grant or such part thereof as the Department may lawfully require.

### 25. Related parties

During the year the charity entered into transactions with Rhiannon's Bakery to the value of £426.10. This business is owned by a relative of the charity's key management personnel. During the year, the charity entered into transactions with Community Intercultural Programme (Oasis Youth) to the value of £2,500.00. Youth Link's Director acts as Secretary for this business.

No amounts were outstanding at 31st March 2023. All transactions were conducted on normal commercial terms and negotiated on an arm's length basis, in line with the policies and procedures of the charity.
